

**State of California
AIR RESOURCES BOARD**

EXECUTIVE ORDER G-18-087

Relating to Certification of Small Containers of Automotive Refrigerant

For TSI, Inc.

**Brand: Black Diamond
Models: BD232CA**

WHEREAS, the California Air Resources Board (CARB) has established, pursuant to California Health and Safety Code sections 38501, 38510, 38560, 38560.5, 38580, 39600 and 39601, criteria for obtaining certification of small containers of automotive refrigerant in "Certification Procedures for Small Containers of Automotive Refrigerant," last amended April 13, 2017, incorporated by reference into Title 17, California Code of Regulations sections 95362(b), 95365(c), 95366(e), and 95368(d);

WHEREAS, the "Certification Procedures for Small Containers of Automotive Refrigerant," last amended April 13, 2017 (hereinafter "Certification Procedures"), incorporated by reference into Title 17, California Code of Regulations sections 95362(b), 95365(c), 95366(e), and 95368(d) requires that an application for certification include test data from each test specified in CARB Test Procedure TP-503, Test Procedure for Leaks from Small Containers of Automotive Refrigerant, last amended April 13, 2017;

WHEREAS, Section 1 of the Certification Procedures provides that an Executive Order will only be issued for a small container of automotive refrigerant that demonstrates compliance with all applicable certification requirements;

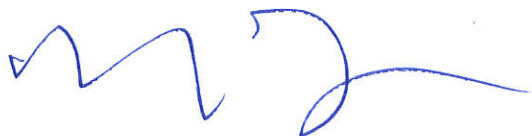

WHEREAS, Section 3 of the Certification Procedures requires an applicant to submit specified information in its application for certification;

WHEREAS, TSI, Inc. has submitted an application for certification of the following small container of automotive refrigerant: BD232CA (Black Diamond)

WHEREAS, TSI, Inc. has submitted data generated from each test specified in CARB Test Procedure TP-503, Test Procedure for Leaks from Small Containers of Automotive Refrigerant, last amended April 13, 2017, that demonstrates its BD232CA (Black Diamond) small containers of automotive refrigerant comply with each requirement specified in Section 2.1 of the Certification Procedures;

IT IS FURTHER ORDERED that the Executive Officer may enjoin sales, assess penalties, or revoke or modify this certification as provided in title 17, California Code of Regulations sections 95368 if the Executive Officer determines that BD232CA (Black Diamond) small containers of automotive refrigerant available for sale in California does not meet the certification requirements including the testing in accordance with Test Procedure TP-503, Test Procedure for Leaks from Small Containers of Automotive Refrigerant, last amended April 13, 2017.

Executed at Sacramento, California this 17th day of August, 2018.

A handwritten signature in blue ink, appearing to read 'Michael FitzGibbon', with a stylized flourish at the end.
